Advisory Report - Mr. Blanco

- Reminded the members about the nominations for Outstanding Academic students. The club wants to send as many members as we can. If you qualify please see Mr. Blanco.
- We are also going to have a speaker from Starbuck on Thursday February 29th, 2007 at 12:30 at the VB 338. It is open for all the members.
- He also informed the members that currently they are too many members in club for
everyone to make it to Disney. He made it clear that he is not trying to discourage anyone who is very keen on going. If any one of the members wants to go and is working hard towards that then there is no reason for anyone not to go. He also made it clear that the old members will get the first priority on who gets to go. The other things that he and the officers will be looking at will be how many raffles each member has sold, how many sponsors they have brought to the club, have many teams they have for the Golf Tournament and so on. In other words there is a lot of competition, just like how it is out in the real world. No one should feel like they are being pushed away. This is just a reminder that it will take a lot of work to make it to Disney, but if you want it really bad then there is absolutely no reason why you should not get to go and the club will try its hardest to get those who deserve to go there. Good luck to everyone, and keep up all the hard work.

Meeting adjourned at 1:20pm
