	RNSG (3)	2360	Clinical IV	3	3	3					
TOTAL PROGRAM CREDITS 60											
*Prerequisites required for admission to the Nursing Program and eligibility for the HESI A2 Entrance Exam.											
§Students pursuing the AAS- Registered Nurse Education degree plan must take Chemistry 1406N for CEUs (Continuing Education Units) prior to the co-requisite BIOL 2420 Microbiology and Clinical Pathology to comply with program requirements. The Chemistry 1406N CEU course may not meet the criteria for financial aid assistance; please check with the Financial Aid Office. If the student chooses to have the Chemistry 1406N CEU course converted to semester credit hours a petition to record credit form must be completed by student.											

GENERAL PROGRAM ADVISE

1. Plans may be changed (add courses, substitute courses, or change major) only with appropriate advisor's approval.
2. Plans must be signed and dated by both student and advisor.
3. BIOL 2402 Anatomy & Physiology II must be completed within the previous five years from the date of admission into the DNE Program.
4. Admission Information is available at www.delmar.edu/rn. Visit with a Nursing Faculty Advisor before submitting an application to NursingCAS (www.nursingcas.org).
5. Prerequisites MUST be completed prior to admission. Students are encouraged to complete as many of the non-nursing courses as possible prior to starting Program (shaded courses).
6. Visit our website at www.delmar.edu/rn for application submission deadline dates may be subject to change.
7. HESI-A² Exam is an admission requirement. Visit our website at www.delmar.edu/rn for exam dates and times.
