VA Benefits: [] NO [] YES
 (if yes student must provide copy of degree plan to VA Coordinator)

Childcare Assistant Funds: [] NO [] YES

Workforce Solutions: [] NO [] YES

GENERAL PROGRAM ADVISE

1. Plans may be changed (add courses, substitute courses, or change major) only with appropriate advisor's approval.
2. Plans must be signed and dated by both student and advisor.
3. BIOL 2402 Anatomy & Physiology II must be completed within five years of the date of admission into the DNE Program.
4. Admission Information is available at www.delmar.edu/rn. Visit with a Nursing Faculty Advisor before submitting an application to NursingCAS (www.nursingcas.org).
5. Prerequisites MUST be completed prior to admission. Students are encouraged to complete as many of the non-nursing courses as possible prior to starting Program (shaded courses).
6. Visit our website at www.delmar.edu/rn for application submission deadline dates may be subject to change.
7. HESI-A² Exam is an admission requirement. Visit our website at www.delmar.edu/rn for exam dates and times.

§Students pursuing the AAS- Registered Nurse Education degree plan must take Chemistry 1406N for CEUs (Continuing Education Units) prior to the co-requisite BIOL 2420 Microbiology and Clinical Pathology to comply with program requirements. The Chemistry 1406N CEU course may not meet the criteria for financial aid assistance; please check with the Financial Aid Office. If the student chooses to have the Chemistry 1406N CEU course converted to semester credit hours a petition to record credit form must be completed by student

VNSG Electives: approved by Department of Nurse Education Program Director or Chairperson.

Comments:

Student Signature: _____ Date: _____

Advisor's Signature: _____ Date: _____

*Prerequisites

Each student is responsible for knowing transfer requirements. The completion of the core curriculum facilitates the transfer of lower division credits taken at Del Mar College to other colleges and universities.
