

DEL MAR COLLEGE  
DEPARTMENT OF NURSING EDUCATION

CLINICAL PRECEPTOR AGREEMENT

Clinical preceptorship is designed for the Associate Degree Nursing (ADN) student related to basic clinical and didactic instruction. Specific learning activities are designed to enhance the education and practice experience in a specialized area of healthcare.

**The clinical preceptor will:**

1. Fulfill the minimum qualification of an RN or other licensed healthcare professional with a Bachelor's Degree preferred and current licensure in Texas. This includes competency in designated area of practice and a philosophy of health care congruent with that of the nursing program.
2. Enter into a written agreement in accordance with specific objectives provided by that instructor.
3. Work with one or two ADN students during a specific clinical time period.
4. Promote student learning – student may be involved in direct client/patient care.
5. Evaluate clinical preceptor plans and results periodically with nursing instructor.
6. The instructor assigning students to the preceptor will be readily available during the clinical period.

The above is agreed to by:
