What is the QEP?
A carefully designed and focused plan that:
- addresses well-defined topic/issue(s) related to student learning
- includes clear goals and objectives
- incorporates careful review of best practices
- complements ongoing, College-wide planning and evaluation
- supports institutional effectiveness

Why do the QEP?
The plan is important because it:
- supports the College’s mission statement
- advances evaluation and effectiveness
- engages the College-wide community
- focuses on well-defined topic/issue(s)
- provides evidence of College’s commitment to quality
- promotes enhanced student learning and success

Who does the QEP?
A QEP leadership team that:
- includes broad-based, College-wide participation
- identifies the topic or issue to be addressed in the QEP
- defines its leadership roles and responsibilities
- follows timelines and communicates clearly and consistently to campus
