APA References Entry – Articles in Printed Periodicals
(newspapers, magazines, or scholarly journals)

Citations for print articles include:
- Author’s name (initials are used for the first and middle names)
- Date of publication (in parentheses)
- Title of article (capitalize only first word of the title, first word of subtitle, and proper nouns)
- Title of work italicized with the first letter of all the main words capitalized
- Volume number italicized; Issue number in parentheses
- Page numbers (for newspaper articles, use the abbreviations p. or pp. preceding the page numbers)

Examples:

Note: For help citing articles, refer to the APA Publication Manual, pages 183 – 192.

Information is based on the *Publication Manual of the American Psychological Association, 6th Edition*. Individual instructor’s specifications may vary, so check with your instructor before formatting and submitting your work.
