FLASH CARDS FOR POSSIBLE EXTRA CREDIT ON EXAMS

6/15
Introduction to an Incredible Learning Method (Not Mandatory)
1. You must earn a minimum grade of 68 for extra credit to apply, as explained in class; but no cards/no credit
2. You do not need to prepare flash cards for questions that you already understand
3. But, I do expect you to prepare flash cards for a MINIMUM of 50% of Possible Exam Questions per Unit
4. I may check your flash cards sitting on your desk during exams
5. Each Unit should be separately bound with a rubber band for easy identification
6. REMEMBER: These are not for my use. These cards are for helping you prepare for exams and good grades!
7. When using cards to study, it may help to write answers on scrap paper; use a study partner to flash the cards
8. CARDS CANNOT BE USED DURING EXAMS – THEY ARE ONLY FOR STUDYING

Flash Card Requirement – Top Card Per Unit
A card similar to this below should be the top card of the stack (Unit #, No. of cards, your name or initials)

NOTE: CORNELL NOTES FORM ALSO ACCEPTED
ALSO ACCEPTED: ELECTRONIC “CARDS” USING iPhone/iPad, Etc. APPS & FORMATS
Flash Card Requirements – Preparation of Cards
1. There must be only one question on the front, with a question number and Unit # (see example below)
2. Initial each card, in case one gets lost
3. There must be an answer on the flip side
4. Students have found that rough sketches of the answer to be of great help (not mandatory)
5. Writing the question number on the back with the answer can be really helpful
6. Below is a suggested formatted samples; find a style that works for you (remember 50% requirement)
