This San Francisco earthquake has been called the World Series Earthquake, because it began just before the 1989 Baseball World Series.

Start the 10.3 minute KGO-TV video to get a closer look at a time of terror (ignore the last minute not related to the earthquake). Notice that the upper deck of the freeway fell down onto the lower deck!

- Write your paragraphs about what you learned from both the web site pictures and the video web site or compare to a related, personal past experience.

- The writing must be clear, neat and concise IN BLACK OR BLUE INK OR PENCIL OR TYPED (otherwise no credit).

- I want a minimum of two paragraphs and a minimum of three complete sentences for each paragraph.
